

## Your individual Training

“Your needs are important to us”

### Description:

In addition to our scheduled trainings, you have the opportunity to book individual appointments and individual- / project related trainings, which we design according to your individual needs. We organize these individual appointments and trainings both in our training rooms and at your place.

### This offer is intended for:

GEUTEBRÜCK Installer and partner, who want to take part in training on alternative dates or have special training topics beyond our training portfolio.

### Pricing:

- Standard training from the product portfolio, at a different date, in GEUTEBRÜCK training rooms: standard price and requirements acc. Training Journal
- Standard training from the product portfolio, at a different date, at your place: standard price and requirements acc. Training Journal plus travel- and accommodation costs, minimum 4 participants.
- Project related- / individual training in GEUTEBRÜCK training rooms: 1250 € per Day, maximum 8 participants
- Project related- / individual training, at your place: 1250 € per Day plus travel- and accommodation costs.

### Our additional services:

If required, we can provide you with training equipment (IT workstations), additional hardware (cameras, scanners, ...) and accessories (network components) within the EU and send them to your training location.

Outside the EU, special regulations apply.

**Just contact us!**

### Requirements for (individual) Training not in the GEUTEBRÜCK Training rooms:

Consult with the GEUTEBRÜCK Academy to clearly define your needs and clarify open questions.

IT workstation for each participant

Administration rights on the IT workstations
